In India,we are at the forefront in the field of education with more than 527 reputed institutions.

Our system of education is the Preventive System based on the core values of Reason, Religion and Loving Kindness.

# WHO IS DON BOSCO

The founder of all these world-wide network of educational institutions of the most varied kinds is Don Bosco, who was born in a little village, Becchi, in Northern Italy in 1815. By hardwork and persevering efforts he became a Priest and decided to dedicate his life for the welfare of youth. In 1859 he founded the Salesian Congregation. His ideas were so far in advance of his times as to be revolutionary. His methods were novel as they were daring. He followed what is widely known as the Preventive System of Education based on Reason, Religion and Loving Kindness. 'Work and Prayer' was Don Bosco's motto. In a society that aims at progress and security there could <u>not be a better</u> means. Don Bosco was canonized in April 1934.
