Question 5

Read the passage and answer the questions that follow.

The word 'teamwork' refers to the process of working together with others to achieve a common objective. Every individual has a role to play in a team, whether it's at school, at home, or in the workplace. When each person performs their task well and cooperates with others, the team is more likely to reach its goal. Effective teamwork is about sharing responsibilities, helping each other, and ensuring that everyone contributes to the success of the team.

- (i) How do you think teamwork is important in a classroom setting? [2]
- (ii) Teamwork helps in solving problems more effectively. Do you agree? Explain your answer. [2]
