

World Environment Day - June 5, 2025

DBSSSV/02/2526

30/05/2025

Dear Parents and Students,

On the occasion of World Environment Day (June 5, 2025) Don Bosco Senior Secondary School is pleased to announce the following events. This initiative aims to promote environmental awareness and creativity among young minds.

COMPETITIONS:

The following competitions are open to students from Class 1 to Class12, with participants grouped into four categories for each competition.

1. Environment day Badge making Competition:

Theme: Combating plastic pollution

Keep design simple and within the limit 5cm x 5cm.

Category III: Class VIII - X

Category IV: Class XI-XII

2. Recycled artwork Competition:

Encourages students to create innovative products (maximum 2 items) using recycled materials.

Category I: Class I - IV

Category II: Class V-VII

Date of Submission: 04 June 2025.

Submit your works to your class teacher.

Outstanding entries will be rewarded with attractive prizes. Let your creativity and concern for the planet shine through your words and art!

WORLD ENVIRONMENT DAY PLANT EXCHANGE

Join us on June 5, 2025, as we celebrate World Environment Day with a Plant Exchange Day!

How to Participate:

1. Bring a sapling or plant (ornamental, medicinal, fruit-bearing, etc.) that's properly rooted and well-watered.
2. Keep your plant in your classroom.
3. After the inaugural session, exchange plants with your friends under the supervision of your class teacher.

Let's Work Together: By participating in this campaign, we're promoting community involvement and commitment to a healthier planet. Let's create a greener future together!
