

## **World Environment Day – 05 June, 2026**

DBSSSV/01/2627

17/05/2026

### **Dear Parents and Students,**

On the occasion of World Environment Day (05 June, 2026), Don Bosco Senior Secondary School is pleased to announce the following events and competitions. These initiatives aim to promote environmental awareness, creativity, and sustainable living among students.

### **COMPETITIONS:**

The following competitions are open to students from Classes V to XII, with participants grouped into categories for each event.

#### **1. Eco-Friendly Fashion Show:**

Theme: “Dress Green... Think Clean!” Participants are encouraged to create and present costumes using eco-friendly and recyclable materials. Creativity, presentation, and the environmental message conveyed will be considered for judging.

**Category I: Std. V – VII**

#### **2. Terrarium Making Competition:**

Students are invited to design and create attractive terrariums using plants, pebbles, moss, recycled containers, and other natural elements.

**Category II: Std. VIII – X; Category III: Std. XI – XII**

### **Date of the Event: 05 June 2026**

Further instructions regarding venue and timings will be informed through class teachers. Outstanding entries and performances will be rewarded with attractive prizes.

### **WORLD ENVIRONMENT DAY – PLANT EXCHANGE – for all classes**

Join us on 05 June, 2026, as we celebrate World Environment Day with a Plant Exchange Programme!

#### **How to Participate:**

1. Bring a healthy sapling or plant (ornamental, medicinal, flowering, fruit-bearing, etc.) that is properly rooted and watered.
2. Keep your plant in your classroom before the inaugural session.
3. Students may exchange plants with their friends under the guidance of the class teacher.

Let us work together to create a greener and healthier future through sharing, caring, and planting!

Thanks and regards  
Principal
